Help design the future of our main street through this collaborative planning charrette. Weigh in on neighborhood growth, scale of buildings, transitions between commercial and residential areas, transportation, community spaces, and more. Since each day presents a refinement of the previous day’s work, it’s optimal to attend more than one meeting. This charrette is sponsored by the Woodstock Staterholders, the Woodstock Neighborhood Association, Reed College, the Woodstock Community Business Association and facilitated by the National Charrette Institute.

OCT
23 INITIAL VISIONING SESSION
6:30 - 9:00 p.m.
Share ideas to plan and design the future of our main street.

OCT
25 PUBLIC OPEN HOUSE
4:00 - 6:00 p.m.
Give feedback on the design work in progress.

OCT
27 CONCLUDING MEETING
6:30 - 9:00 p.m.
Review, discuss & vote on the final proposed plans.
