APPLYING FOR A COMMUNICATIONS GRANT

YOU CAN APPLY FOR A GRANT TO
- create or update your website
- host an event with translation services
- print and send better flyers and promotional materials
- disseminate information about local events and occurrences

You can apply for $700-$1,000 for your communications and marketing project. Applications are due by February 28th 2020.

These grants are open to all community organizations and groups including but not limited to: neighborhood associations, fiscally sponsored projects, and other non-profit organizations.

how does the grant cycle work?
- fill out the short application describing your project by February 28th
- receive your funding on March 15th
- complete your project and submit your report by September 30th

The goal of these grants is to make Southeast Community organizations’ communications strategies accessible to the broad and diverse SE Community with effective and accessible outreach.
